Sub: Approval to the proposal of M/s IBN Sina Nature Cure Pvt. Ltd., to establish a "Nature Cure Hospital" at Hasaruvalli Village, Thymagondlu Hobli, Nelamangala Taluk, Bengaluru Rural District.

Read 1) Proceedings of the 30th Land Audit Committee (LAC) meeting held on 25.06.2016.

2) Proceedings of the 93rd State Level Single Window Clearance Committee (SLSWCC) meeting held on 03.08.2016.

Preamble:

M/s IBN Sina Nature Cure Pvt. Ltd., has proposed to establish a "Nature Cure Hospital", with an investment of ₹ 211.24 crores, generating employment to about 385 persons at 37 acres 33 guntas of land at Hasaruvalli Village, Thymagondlu Hobli, Nelamangala Taluk, Bengaluru Rural District.

The representative of the company appeared before the 30th Land Audit Committee held on 25.06.2016 and highlighted the project proposal.

Deputy Director, Nelamangala Planning Authority informed the Committee that many Sy. Nos. identified for the project fall under Zone-3 of TGR Catchment area.

The Committee noted the above and resolved to recommend to SLSWCC for approval of the project to set up Nature care Healthcare facility in 67 Acres 36 guntas of land to be purchased U/s 109 of KLR Act at Byadarahalli Village, Thymagondlu, Nelamangala taluk, Bengaluru Rural District, subject to obtaining NOC from Nelamangala Planning Authority for the proposed activity. The company also to ensure zero discharge from the hospital as per KSPCB norms.

Further, in view of the above, the promoter vide their letter dated: 16.06.2016 has informed that they have identified alternate 37 acre 33 gunts of land at Sy. Nos. 134, 135/1 and 135/2 at Hasaruvalli Village, Thymagondlu Hobli, Nelmangala Taluk, Bengaluru Rural District for the establishment of Nature Cure Hospital with an investment of ₹ 211.24 crore.

Nelamangala Planning Authority vide their letter dated: 19.07.2016 has informed that the proposed lands at Sy. Nos. 134, 135/1 and 135/2 at Hasaruvalli Village, Thymagondlu Hobli, Nelmangala Taluk, Bengaluru Rural District falls under Zone 1 of Tippagondanhalli Reservoir (TGR) and reserved for agricultural activity. Further, it is informed that under special circumstances, there is a provision for construction for hospital with the plot coverage limited to 15% with ground floor and first floor buildings.

The proposal was examined & approved in the 93rd State Level Single Window Clearance Committee (SLSWCC) Meeting held on 03.08.2016. Government has examined the recommendations made by the State Level Single Window Clearance Committee in all aspects.

Hence the following order.

GOVERNMENT ORDER No. CI 245 SPI 2016, BENGALURU, DATED: 01.09.2016

Government is pleased to accord in-principle approval to the investment proposal of M/s IBN Sina Nature Cure Pvt. Ltd., to establish a "Nature Cure Hospital", with an investment of ₹ 211.24 crores, generating employment to about 385 persons at Hasaruvalli Village, Thymagondlu Hobli, Nelamangala Taluk, Bengaluru Rural District with the following infrastructure assistances, incentives and concessions.

Land	:	37 acres 33 guntas of land U/s 109 at Hasaruvalli Village, Thymagondlu Hobli, Nelamangala Taluk, Bengaluru Rural District.
Water	:	60 KLPD Water from own sources.
Power	:	400 KVA from BESCOM.
Incentives & Concessions	:	As per applicable policy of the State.

Sanction of the above infrastructure facilities, incentives and concessions is subject to the following terms and conditions:

1. **Environment**: The company to obtain Consent for Establishment and Consent for Operation from KSPCB and environmental clearance from MoEF, Govt. of India or the Dept of Forest, Ecology & Environment, Govt. of Karnataka, if applicable.
2. **Employment**: The Company shall comply with the provisions of applicable policy of the State of Govt. of Karnataka with respect to local employment on the project. Sub: Approval to the proposal of M/s Infinite Tech-data Ltd. to establish "Software development centre" at Hitech, Defence and Aerospace Park, Devanahalli, Bengaluru Rural District.

Read 1) Proceedings of the 30th Land Audit Committee (LAC) meeting held on 25.06.2016.

2) Proceedings of the 93rd State Level Single Window Clearance Committee (SLSWCC) meeting held on 03.08.2016.

Preamble:

M/s Infinite Tech-data Ltd. has proposed to establish "Software development centre", with an investment of ₹. 192.50 crores, generating employment to about 1,295 persons at Hitech, Defence and Aerospace Park, Devanahalli, Bengaluru Rural District.

In the 30th Land Audit Committee meeting held on 25.06.2016, the Committee noted the decision of the 90th SLSWCC meeting held on 01.02.2016 which is as follows:

"The Committee approved the project in-principle subject to scrutiny of background of the company and land requirement by the Land Audit Committee after ascertaining concurrence of IT/BT Department".

The Committee also noted the opinion from the Managing Director, IT/BT Department letter dated 24.05.2016 regarding recommendation for allotment of 10 acres of land in IT Park, Devanahalli for the proposed project.

The Committee after detailed discussions cleared the project approved in the 90th SLSWCC meeting held on 01.02.2016 and resolved to recommend to KIADB to allot 10 acres of land at Hitech, Defence and Aerospace Park, Devanahalli, Bengaluru Rural District.

The proposal was examined & approved in the 93rd State Level Single Window Clearance Committee (SLSWCC) Meeting held on 03.08.2016. Government has examined the recommendations made by the State Level Single Window Clearance Committee in all aspects.

Hence the following order.

GOVERNMENT ORDER No. CI 129 SPI 2016, BENGALURU, DATED: 19.09.2016

Government is pleased to accord in-principle approval to the investment proposal of M/s Infinite Tech-data Ltd. to establish "Software development centre", with an investment of ₹. 192.50 crores, generating employment to about 1,295 persons at Hitech, Defence and Aerospace Park, Devanahalli, Bengaluru Rural District with the following infrastructure assistances, incentives and concessions:

Land	:	KIADB to allot 10 acres of land at Hi-tech, Defence and Aerospace Park, Devanahalli, Bengaluru

ENERGY SECRETARIAT

Sub: Constitution of “State Working Group Committee(SWG)”to Finalize the State Action Plan for Renewable Energy and intern Implementation of India’s Renewable Electricity Roadmap 2030 of NITI Aayog.

Read 1. Adviser (Energy) NITI Aayog,Government of India, Letter No.P-11071/16/2015-NRE (P&E) Date: 12.08.2016.

2. Adviser (Energy) NITI Aayog, Government of India, Letter No.P-11071/16/2015-NRE (P&E) Date: 02.11.2016.

PREAMBLE:

Government of India, Ministry of New and Renewable Energy (MNRE) has fixed National target of 175GW Renewable Energy by 2022.NITI Aayog (then Planning Commission), with the support of CII and shakti sustainable Energy Foundation prepared a “Renewable Electricity Roadmap 2030” which was launched at REINVEST, last year. To implement the RE-Roadmap 2030, two Committees have been formed namely an “Advisory Board” under the Chairmanship of Vice Chairman, NITI Aayog and a “Steering Committee” at the level of CEO, NITI Aayog. The Steering committee in its first meeting advice the States to formulate aState specific working groups committee to facilitate and address the challenges faced for deployment of RE in the State.

The State Working Group will focus its work on supporting the preparation of the State Action Plan for Renewable Energy(RE) and implementing the suggested action plan to achieve the state’s RE target by 2022 and beyond.

In the read (2) above Adviser (Energy), NITI Aayog, Government of India, has requested for constitution of the State Working Group Committee (SWG) at the State level under the Chairmanship of Additional Chief Secretary(Energy), as anecessary step to achieve the support of all the relevant stakeholders in the State Government, to achieve the specified target and goal.

Accordingly, Government has decided to constitute State Working Group Committee (SWG), Hence the following order.

GOVERNMENT ORDER NO EN 77 VSC 2016, BENGALURU DATE:19.12.2016.

In the circumstances explained in the preamble, Government is pleased to constitute a “State Working Group Committee (SWG)” to finalize the State Action Plan for Renewable Energy and intern Implementation of India’s Renewable Electricity Roadmap 2030 of National Institution for Transforming India (NITI)Aayog, at the State Level with immediate effect and until further orders:-

1	The Additional Chief Secretary to Government, Energy Department	Chairman
2	Managing Director, KREDL	Member
3	Managing Director, PCKL	Member
4	Chief Executive Officer, KSPDCL	Member
5	Director (Transmission), KPTCL	Member
6	Director (Technical), KPCL	Member
7	Director (Technical), BESCOM	Member
8	Director (Technical), GESCOM	Member
9	Director (Technical), MESCOM	Member
10	Director (Technical), HESCOM	Member
11	Director (Technical), CESC	Member
9	Chief Engineer(Ele), SLDC	Member
10	Nominated Representative from KERC	Member
11	Nominated Representative from RE industry association(s)	Member
12	Nominated Representative from the NITI Aayog	Member
13	Nominated Representative from the CII	Member
14	General Manager, KREDL	Convener

<u>The said committee shall</u>:-

(a) Finalize the structure of the state action plan(SAP RE) with the consultants.

(b) Provide inputs and data on SAP RE as required by the consultants.

(c) Partner with the CII to organize stakeholder consultations for inputs on the SAP RE.

(d) Highlight some of the practices adopted under the broad has facilitated faster operations, grid integration, incentives and concerns if any that has facilitated faster deployment of RE at the state.

(e) Extend support to CII and consultant to develop the template to review, monitor and identify areas to intervene by the Centre and State Government to ensure faster deployment of RE.

R.N.I. No. KARBIL/2001/47147 POSTAL REGN. No. RNP/KA/BGS/2202/2017-19
Licensed to post without prepayment WPP No. 297

ENERGY SECRETARIAT

Sub: Purchase of Power from Sugar factories having Bagasse Based Co-Generation units, without subsisting PPA.

PREAMBLE:

1. Sugar factories have established Co-Generation units which can produce power using Bagasse and also coal. The power generated by Co-Generation units is used in the operations of the sugar factories. Some sugar factories which have very large crushing capacity, have established Co-Generation units which have got exportable surplus during the crushing season. Some of the factories have entered into long term power purchase agreements (PPAs) with the Electricity Supply Companies in the State. Many of the sugar factories have not entered into PPA's with ESCOMs, but have been selling their exportable surplus power either on open access or through power exchange. Whenever there is severe power crisis the State Government has also been imposing restrictions on sale of power by the sugar factories by invoking powers under Sec.11 of the Electricity Act and forcing them to sell to the ESCOMS in the State.
2. The sugar factories are located within the State and are purchasing sugar cane from the farmers. In the recent past, the sugar factories have been facing difficulties in payment to the farmers and State Government is also giving a number of financial concessions. If the power is purchased on a continuous basis then it will help the sugar factories to make payments to the farmers.
3. There are 65 sugar factories in the State, out of which 52 factories have Co-Generation units. Out of these, 11 sugar factories have already entered into long term PPAs with ESCOMS. As per the proposal given by the South India Sugar Mills Association, 28 sugar factories with an exportable capacity of 501 MWs are willing to enter into PPA with the ESCOMS.
4. The power from the Co-Generation units produced during the crushing season which is from November to May coincides with the peak demand in the State.
5. It is proposed to allow ESCOMS to purchase power from sugar factories which are Co-Generation units, at the tariff fixed by Karnataka Electricity Regulatory Commission (KERC) for the medium term of five years, starting from the year 2016-17. This will be applicable to those sugar factories which are already generating power but do not have PPA's.
6. This will not be applicable to new Bagasse based Co-Generation Sugar factories. The existing policy and guidelines of KERC will apply to such units.
7. This subject was placed before 25th Cabinet Meeting held on dt: 09.11.2016 under the subject No. C: 545/2016 and got the approval of the Cabinet.
8. As a matter of policy, it is in the interest of public, farmers of the State and also to improve the availability of power in the State, it is proposed to purchase power from Sugar factories having Bagasse based Co-Generation Units without subsisting PPA's. Hence this Order.

GOVERNMENT ORDER NO. EN 16 PPT 2016, BENGALURU, DATED: 11 NOVEMBER, 2016

In the circumstances explained in the preamble, the State Government hereby accord approval to purchase power from Bagasse Based Co-Generation Units of sugar factories in the State with the approval of KERC, for a period of five years commencing from 2016-17, at the tariff determined by KERC with the following conditions:

i. The power generation should be only from Bagasse.
ii. This will be applicable to Co-Generation units which are already generating power but do not have PPA's with the ESCOM's.
iii. The Sugar Factories interested to sell the power to the ESCOMS as per this G.O. should sign the PPA with in one week of Karnataka Electricity Regulatory Commission approval.
iv. The Sugar Factories should not violate the Karnataka Sugarcane (Regulation of Purchase and Supply) Act, 2013.
v. For the New Bagasse Based Co-Generation Units which are going to start Generation, the existing guidelines and policy will apply.
vi. Energy pumped by Generators under the PPA as per this order shall be allocated amongst ESCOMs as per the existing Govt. Order dated: 05.09.2015 or the Govt. Orders to be issued from time to time in future.
vii. The Generators shall raise the bills as per the Govt. Order dated: 05.09.2015 to the respective ESCOMs.

P.R. 11
SC.50

By Order and in the name of the Governor of Karnataka,
A.A. CHAPPARBAND
Under Secretary to Government,
Energy Department.
